CONSENT ORDER

This matter was opened to the State Board of Dentistry ("Board") by way of Complaint filed July 15, 1986, by W. Cary Edwards, Attorney General of New Jersey, by Kathy Rohr, Deputy Attorney General, alleging that on or about April 29, 1986, respondent, David I. Moss, D.M.D., was convicted of having filed^a false income tax returns in violation of 26 U.S.C. §7201. Such conviction was based upon a willful and knowing attempt to evade a large part of the income tax due and owing for the calendar year 1981 by reporting taxable income in an amount substantially less than his actual taxable income. The Complaint alleges that the crime for which respondent was convicted involves moral turpitude and relates adversely to the practice of dentistry within the meaning of N.J.S.A. 45:1-21(f) and the conduct which forms the basis of the conviction constitutes professional misconduct within the meaning of N.J.S.A. 45:1-21(e). On or about July 31, 1986, respondent filed a denial of the charges.

It appears that respondent desires to terminate this matter without formal hearing and that good cause exists for the entry hereof. Dr. Moss has received a very favorable report from his federal probation officer verifying that he has complied with all terms and conditions of his probation to date including restitution of money owed, and that he is performing required community service by practicing dentistry one full morning per week at the N.J. Memorial Home for Disabled Veterans in Edison, New Jersey.

THEREFORE, it is on this 21st day of September, 1986,

ORDERED:

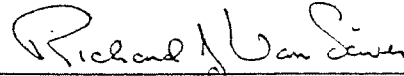

1. David I. Moss, D.M.D., shall donate one hundred and fifty (150) hours of community service in the form of dental services at the New Jersey Memorial Home for Disabled Veterans in Edison, New Jersey, which shall be in addition to the five hundred (500) hours of such service which he must donate as a special condition of probation as required in the Judgment and Probation Order entered by U.S. District Judge Joseph H. Rodriguez on April 25, 1986.

2. Dr. Moss shall request his probation officer to submit semi-annual reports to the Board of Dentistry attesting to Dr. Moss' continued compliance with the special condition of probation and the number of hours of community service that have been completed.

3. Dr. Moss shall be required to complete the additional one hundred and fifty (150) hours of such community service imposed by the Board herein within two and a half (2 1/2) years of the entry of this Order.

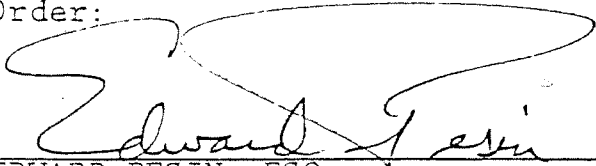

4. In the event Dr. Moss is unable to perform the additional one hundred and fifty (150) hours of community service at

the New Jersey Memorial Home for Disabled Veterans, he shall donate such time at an institution to be designated by the Board.

DR. RICHARD VAN SCIVER
PRESIDENT
STATE BOARD OF, DENTISTRY

I hereby agree to the form
